🚩 Anniversary Visit to Eschweiler-----3 - 6 June 2021

Dear Friends,

We hope you are all keeping safe and well in these difficult times. It seems that many virus safety restrictions will still be in place for the foreseeable future, so it is tricky to see a way forward towards meeting up for a while. Natasha Allen has very kindly organised a walk for us, which can be distanced and will be a good chance to catch up in the fresh air - we hope to be able to do this as soon as restrictions permit.

Of course we are keen to continue with the usual exchange visits etc as soon as possible but of course we must see how the virus declines in all three countries. Do please let us have your ideas for future meetings. Quite a few people have said they are not keen on large Zoom meetings. Hall hire seems increasingly problematic with a limit on numbers and the necessity for thorough cleaning after use. Would you be able to host a small group if restrictions permit in the future? Or have you any other suggestions? Monique and I would be pleased to have them.

In the meantime, stay safe and we look forward to seeing you soon.
